Mr. K.D. Kennedy, Jr., Chairman  
North Carolina Board of Ethics  
Administration Building  
116 West Jones Street  
Raleigh, North Carolina 27603-8003

Dear Mr. Kennedy:

This letter is a request for a ruling or opinion regarding whether my application and possible subsequent appointment to an Administrative Assistant or other clerical position with the North Carolina Air Cargo Airport Authority could represent a conflict-of-interest. Currently my husband, Jim Woodall, is a member of the Lenoir County/City of Kinston Airport Commission. This Commission is not the governing board of the staff of the Global TransPark. Some staff are based in Raleigh, others will be employed in Kinston. It is one of the latter positions I am seeking and for which I may be considered.

At some point in the future, the (statewide) Air Cargo Authority will assume full responsibility for the airport, at which time the (local) Airport Commission will be abolished. Therefore, no direct supervisory responsibility by the local Airport Commission now exists, or will at any time, over the staff of the Global TransPark.

I am writing this to you to satisfy a local concern that a conflict-of-interest can be and has been avoided. Thank you very much for your consideration and assistance.

Sincerely,

Angela L. Woodall
